

WET MOPS

(Left - Right – Handles)

- A. Invader vinyl covered handle with poly clamp, 54" & 60".
- B. Vinyl coated metal gripper handles, 54" & 60".
- C. Sure-grip wooden handle.

(Left - Right – Mops)

D. SUPERSORB – A web-foot shrinkless mop, available in orange, blue, or green. Sizes S-M-L-XL.

E. SUPERSORB SHRINKLESS – The same construction as the web-foot, but with a higher synthetic content so it will withstand repeated launderings. Color coded headbands. Pre-laundered. The ultimate launderable mop. Sizes S-M-L-XL.

F. INDUSTRIAL LOOP – A balanced blend of cotton rayon and other synthetics for maximum water pickup: superior floor drying, no break-in, good strength and longer life. Sizes S-M-L-XL.

G. VALUE BLEND – Now you can have the advantages of web foot design at a cost comparable to top-of-the-line cut end mops. A blend of cotton and synthetics. Sizes S-M-L-XL.

H. LOOPED DUCK MOP – Four ply cotton and synthetic blend with looped ends to prevent fraying and pulling out. Lasts longer than even premium cut end mops. Available in three sizes - small, medium, and large, identified by the color of the wide mesh band. Sizes S-M-L.

I. FOOTED DUCK MOP – Four ply cotton and synthetic blend wet mop. Available in small, medium, and large, each size is color coded on the wide mesh band for easy identification. The mop is made of continuous strands looped at the end and has a band double stitched near the end. This supports larger wear, less tinting and fraying. The bend also enhances mop spread for ease in mopping and ultimate performance. Sizes S-M-L.

SSS BLOCKADE MOP – Permanent anti-microbial protection built right in to prevent sour-smelling, mildew mops. Super absorbent 4-ply yarn is pre-laundered and pre-shrunk to go right to work. Looped ends can't fray when in use or when laundered. Orange. Sizes S-M-L.

DAMON "METAL BAND" MOPS – Much faster and easier change-over, no marring or scratching of furniture or baseboards as all metal is covered. Entire length of yarn is usable. Change Mop Heads with a Flip! Hardwood handles come in 60" x 1" (#250) or 54" x 1" (#275). The Eagle and Hawk mops are available in 12 oz., 16 oz., 20 oz., 24 oz. and 32 oz., packed 12 per case. The Falcons are available in 12 oz., 24 oz., and 32 oz.

A. FALCON – Falcon Mop Heads are durable cotton, 8 ply mop heads with a metal band. This mop head has a very high water pick-up and discharge.

B. EAGLE – 24 ply cotton head, well cleaned 1³/₄" staple length, 80 lb. tensile strength, Grade A cotton, very tight twist with highest water pick-up and discharge.

C. HAWK – 8 ply cellulose, 1¹/₂" staple length, tensile strength 78 lb., virgin rayon, tight twist. Very high water pick-up and discharge.

MOPS FOR USE WITH STANDARD HANDLES

- A. 63" Wood Handle
- B. 63" Quick Change Metal Handle
- C. 54" and 63" Steel Handle

BLUE JAY CELLULOSE – An 8 ply mop, 1³/₁₆" staple length, 94 lb. tensile strength, very tight twist virgin rayon, high water pick-up and discharge. 1" sewn cotton band. Available in 12 oz., 16 oz., 20 oz., 24 oz. and 32 oz., packed 12 per case.

ROBIN – 8 ply cotton head, clean, 1¹/₂" staple length, tensile strength 97 lb., tightest possible twist, contains Grade A cotton, very high water pick-up and discharge. 1¹/₄" sewn cotton bands. Available in 12 oz., 16 oz., 20 oz., 24 oz. and 32 oz., packed 12 per case.
