

# SANI-FRESH SOAP SYSTEMS

Whether it is light soil or stubborn grease, there is a Kimberly-Clark skin care formula for the task. The skin care product portfolio includes general purpose cleanser, anti-microbial cleansers, and industrial skin care formulas. Each formula offers an integrated, cost effective solution that encourages hand washing, raises worker productivity, and increases user satisfaction. With their up-scale image and durable construction the dispensers are designed to deliver the right amount of solution in a manner that is appropriate for the environment. The insight dispensers are of a smoked transparent design and the windows dispensers enable you to insert a decorator strip to enhance your washroom's image.
