

ODOR CONTROL

NEUTRA-SCENTS - Neutralizes odor causing particles immediately and leaves a clean scent behind. Designed for fabrics, upholstery and carpets. Effective for use in hospitals, nursing homes, schools, hotels, health clubs, and churches. Packaged 12 quarts per case.

BABY POWDER, SSS - Pleasant baby powder fragrance is recommended for use anywhere a pleasant but not overpowering scent is required. Packaged 12 - 16 oz. aerosols per case.

CINNA-MIST, SSS - A dry aerosol air freshener that is safe for drapes and fabrics. The dry fragrance stays airborne instead of falling to the floor so it lasts much longer than other deodorizers. Eliminates odors such as smoke from fabrics including drapery, upholstery and carpeting. Pleasant cinnamon fragrance. Use anywhere objectionable odors are found. Packaged 12 - 11 oz. aerosols per case.

DEODORANT BLOCKS, DS-55 - A larger 5 oz. round block with a bacteriostatic action in the air. Lab tests show it reduces airborne and surface bacteria. Pleasant perfumed fragrance. Larger surface area to evaporate more perfume than other blocks. Packaged 12 blocks per tube and 12 tubes per case.

DEODORANT BLOCKS, SSS - Primarily used as urinal blocks. Hydraulically pressed so they won't fall apart and clog drains. Contains perfume oils to counter-act odors.

FIRE "D" - For deodorizing of smoke odors after a fire. Valve locks down to permit release of entire contents of can. Use 1 can per room or inside car or truck. Use several cans for large rooms. Packaged 12 - 6 oz. aerosols per case.

I-D (INDUSTRIAL DEODORANT), SSS - A blend of essential oils and fixatives which reacts chemically with odors to destroy them. Leaves a faint bubble-gum fragrance of its own. One ounce wick bottle lasts one to three months depending on the amount of wick exposed. Packaged 12 per case with two dropper caps. Wall cabinet available.

LILAC ODOR CONTROL - A deodorant spray which chemically neutralizes unpleasant odors caused by urine, feces, smoking, pets, food putrefaction and hospitals. May be sprayed, fogged or added to drip or wick systems. Can also be used to deodorize other solutions, mops etc. Packaged 12 quarts per case and 55 gal. drums.

MINT CONDITION - A powerful odor neutralizing formula that doesn't just cover up odors, it eliminates them. Fresh spearmint fragrance. Use as an air freshener, in mop water, extractors, etc. Packaged 12 quarts per case.

ODOR ENDS - An adhesive stick-up odor counteractant disc that lasts approximately 30 days. Destroys malodors while allowing all pleasant odors to be enjoyed. Ideal for patient rooms, restrooms, public transportation, and wherever malodors exist. Available in 2 sizes for different size rooms. Packaged in box of 12 discs.

NEUTRA-FRESH - A Ready-To-Use odor counteractant with a floral bouquet fragrance. Will eliminate most unpleasant, unwanted odors leaving a fresh, clean fragrance behind. A superb air enhancer when used in conjunction with the NEUTRA-STAT disinfectants or WWX II extractor concentrate which contains the same floral bouquet. Packaged 12 quarts per case.

SOFT 'N' FRESH ODOR CONTROL - A chemically pure, scientifically formulated room deodorant which neutralizes unpleasant odors in baths, kitchens, laundry chutes, washing machines, hampers, closets and air ducts. It removes smoking odors, pet odors, urine and fecal odors, onion and garlic odors, fish, food putrefaction and athletic odors. It may also be poured into drains to control odors. Packaged 4 - 1 gallon per case.

SPRING GREEN BLOCK WITH SCREEN - Urinal screen with an enclosed deodorant block. The Mal-X[®] odor counteractant destroys odors chemically. The block will not disintegrate and clog drains. Packaged 12 per case.

SPRING GREEN RIM STICK - Hanger deodorant block for hanging on the toilet bowl rim. The Mal-X[®] odor counteractant destroys odors chemically. The block will not disintegrate and clog drains. Packaged 12 per case.

STINK-STOP ODOR CONTROL BITS - An extremely powerful odor destroyer for use where rotten or rancid odors must be controlled. Use in dumpsters, garbage cans, meat packing plants and seafood processing plants. Packaged 12 - 21 oz. per case, and 25 lb., 75 lb. and 150 lb. kegs.

WINTERFRESH - A scientifically formulated room deodorant which neutralizes unpleasant odors. Removes odors caused by urine, feces, smoking, pets, food putrefaction, drains and hospitals. Can also be used to deodorize other solutions, mops etc. Packaged 4 - 1 gallon per case.
